Physical Therapy Cancellation/No Show Policy

We realize how valuable your time is and we make every effort to see you as quickly as possible at your scheduled appointment time.

We would ask that you extend us the same courtesy. If you are going to be late, please call and let us know because we may have to reschedule you. Our office requires 24-hour advance notice for all cancellations so that we may have the opportunity to fill that time slot. We realize emergencies occur and are sensitive to those, all we ask is that you let us know as soon as possible.

Therefore, if you miss your appointment, or fail to give sufficient notice when you cancel, we reserve the right to assess your account \$45.00.

Greg Hughes & Russ Clifford
